## Major Midget League Evaluation Camps

BC Hockey announced, Friday May 28 that the online registration for the 2010-11 Major Midget League evaluation camps will be available June 1, 2010. The camps will be held August 6-8 in eleven (11) locations across BC. Camp locations and schedules will be announced at a later date.

Interested players must register for the zone in which their parents reside. For a description of the zone boundaries, please go to the [About Section](#) on the Major Midget League website.

Players will be evaluated at the three-day camp by team officials and high performance evaluators. Final selections of the 20 players, including two (2) goaltenders which make up each Major Midget team will be made by September 15.

BC Hockey recently announced that the policy limiting the number of 17 year old players on a Major Midget League team has been removed by the Executive Committee. The change was made to allow all players aged 15-17 the opportunity to play in the League.

Selected head coaches and the League Managing Director will be formally announced on Monday, May 31.

The BC Hockey Major Midget League was established in 2004 to provide elite level 15, 16 and 17 year olds an opportunity to play within their own age group at a high level and be developed for the next level of hockey. These teams have an opportunity each year to compete for the National Midget Championship.

To register to attend a camp, please go to the [Applications section under the Administrative tab](#) on the BC Hockey website.
