

MEMORANDUM

March 2, 2010

TO: BC Hockey Membership

FROM: Robin Douville, Officer at Large
Jim Weicker, Branch Coach Coordinator

SUBJECT: Hybrid (Coach Stream) & Developmental 1 Delegates' Status

The following information is to assist you in ensuring members within your association who attended a Coach Hybrid or Development 1 Clinic this season meet the National Coaches Certification Program (NCCP) requirements. Below are the BC Hockey Regulations that apply:

2.25 Beginning in the 2008-2009 season all BC Hockey/Hockey Canada Carded Coaches must be qualified at the Developmental 1 Stream to coach Minor, Female and Junior Hockey by December 1st of the current season. Coaches will have until **March 31^s** of the current season to complete the course requirements for Development Stream Certification.

2.26 Beginning in the 2008-2009 season all BC Hockey Minor Hockey Associations and non-Hockey Canada carded Female Teams are to ensure that all coaches are Coach Stream Qualified by December 15th of the current season. Coaches will have until **March 31st** of the current season to complete the course requirements for Coach Stream certification.

As you are aware certification at Coach Hybrid and Developmental I require attendance at the clinic plus post task completion. Delegates will be considered in compliance with the above regulations upon completion of the NCCP's clinic requirements and are given until **March 31, 2010** to complete the post task. Failure to complete the post task by **March 31, 2010** will result in certification standards not being met for the following season.

In the case where the post task has not been successfully completed by **March 31, 2010**, the coach will be required to once again attend the clinic and complete the post task to be eligible to coach in the subsequent season.

The implementation of the above regulations supersedes any statement that may have been made to delegates in previous seasons that the completion of the post task is not mandatory.

If you have misplaced your Coach Hybrid or Developmental 1 Post Task, a new one can be printed from the BC Hockey website at <http://www.bchockey.net/Coaching/Resources.aspx>.

We trust this to be in order, however if you have any questions please contact your BC Hockey District Coach Coordinator (<http://www.bchockey.net/Contacts.aspx>).
